21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

130 responses

Nice

All faculties are good there teaching method is also very good

Show all circuit diagram, machines in lab through practically

Enhanced use of technology, focus on practical learning, provide free course for improving skills

Firstly we need to punishment for those students who takes commonoff

As per the about questions, I think my Institute need some improvement and also have good qualities. I

proud to say that my Institute have it's own performance and excellent qualities somewhere ,some

teachers making it difficult to enhance our Institute but, it's good see that my Institute have best criteria about there students future, internship and enhancing knowledge about technology.

No any suggestions

Behaviour and help for students

1 Good teaching 2 Good knowledge about particular field 3 Providing notes for simple understanding

Better

Taking some project presentation for students future progress and some industrial visit

Nothing get any suggestions to improve the overall teaching

To visit the industries Need to focus on soft skills Need to focus on presentation

Industry-Relevant Skill Development, Career Counseling and Placement Support

1. Use technology: Use the latest technologies in the classroom. 2. Bringing in more new concepts which are currently used in industries which Students are usually not aware

4

1. To clear maximum technical concepts. 2. To make properly schedule of academic management.

Give assignment on time Complete Syllabus

1) Learning is well 2) Communication is well 3) Behavior is well

Improvement teaching

Need to clear communication between staff and students and at that time clear the each query

Very good

--

Provide enough staff to teach us according to subjects

No suggestion

Provide the best staff Explain the concept with example

no experiance

Teaching is very good. The overall quality of teaching, learning process in our institute is very good

Please give better placement for students.

To be better explain

Communication for every student

Use strategy to learn students in small time. Avoid their office work during lectures. Do lectures on precise time.

- 1)Use better graphics and visual media to engage students well. ...
- 2)Try to reach every student and ask for their doubts. ...
- 3)Make teaching a two way interaction.

Teaching should be more form of practically using multimedia, ppt etc
Behaviour to students

None

Need to implement more interactive and engaging teaching methods
I am satisfied, The college give me opportunities and learning experience.

Interview nd Placement Guidance

1. Need to implement Group discussion in classes for what we learn ,
2. how to improve . Doubt resolutions, & suggestions.

It's good

Need Better Staff

Very nice

Organized practical section

Make teaching interactive Use visual media Use active learning

Feedback Gaps student participation and engagement.

Use virtual media: teaching and learning Make teaching interactive:two ways interaction Create a safe learning environment:A structured routine

More should be tech in english instead of Marathi language

Conduct regular workshops and training sessions for teachers to stay updated with the latest teaching techniques and methodologies.

Overall teaching experience is good

No any suggestion

1. Take the external visits to improve students in technically . By visiting the real world examples. Like core industry , hudro electric power plant. Etc

Everything is good

Good teaching

Give assignment on time Complete whole syllabus

Nothing

- 1.Integrate project-based learning and case studies that relate directly to real-world scenarios and industry demands.

- 2.Implement a mentorship program where students can receive personalized guidance based on their strengths, weaknesses, and interests.

- 3.Incorporate regular quizzes, live polls, and collaborative tools to ensure active participation from students.

Give assignment on time

- 1 .Make teaching interactive: Make teaching a two-way interaction by asking students questions and discussing their performance.
