Electronics and Telecommunication Student Association (ETSA)

About ETSA

Electronics & Telecommunication Student Association (ETSA) is a student association run by students of E & TC Engineering for students of department. The students association club of the Electronics and Telecommunication Dept. of the Bhagwant Institute of Technology, Barshi (BIT, Barshi). The main objective of the ETSA is to provide platform to students to explore their skills and knowledge through curricular and extra-curricular activities in the field of Electronics and Telecommunication Engineering. Through ETSA students organize project competitions, alumni interactions and celebrate days like "Teachers Day" and "Engineers Day".

Objectives

- To organize the training programs/ seminars/ workshops on latest technology to enhance the technical skill set of students and faculties.
- To enrich and empower the minds of students by conducting technical event / competitions regularly.
- To improve non-technical abilities of students by engendering good communication skills, managerial abilities, presentation skills and team work.
